

Kaleidoscope Resources

Kaleidoscope Builders Knowledge Base (KBKB) is a Yahoo group of kaleidoscope builders, collectors and retail sales personal.

To access this forum go to: www.yahoo.com, on the left side of the web page click on Groups in the "Find A Group" window type in kbkb and click on search. It should come up with the kbkb group, click on the blue letters kbkb. I think you will have to join to have access to the files. Joining is free and you don't receive spam form joining.

After you have signed up and logged in, click on "Files" on the left side of the home page. Then click on "Miscellaneous" currently there are seven files there. Several are of interest at this point: 1.) Kaleidoscope Mirror Angle Chart.pdf 2.) Kscope Angles. Xls 3.) Scope Calcs.xls and 4.) stick trick diagram.pdf. You can click on any of these and read or print if you wish.

Kaleidoscope Kits and Parts Go to www.bostonclayworks.com it will take you to a website called "Boston Craftworks" the A Grade mirror is as good as it gets. It is telescope and microscope grade mirror. His prices are good as you can find, a 12"x16" piece of A grade mirror is \$27.50, B Grade mirror locally can run as much as \$35 per Square Foot.
