# Meeting Notes

**Program:** Our April meeting will be at 10 am in the Lecture Room at the Allie Beth Martin library. The lecture room is to the right and down the hall from the auditorium where we normally convene. After assembling and having a brief meeting, we will then proceed to Loman Studios. Our visit will include the opportunity for hands on participation making faceted glass which will be included in a finished piece. In order to provide everyone an opportunity to participate, our time in the studio may extend past our regularly scheduled meeting time. Refreshments will be provided. In order to assure that adequate preparations are made to allow everyone the opportunity to participate, we need to know how many people intend to go to Loman Studios. If you have not already done so, please respond to Tina Newton (760-7485) or Denise Estes (742-7131).

Loman's Studio is located at 9133 East 46th Street in Tulsa. Going south from 31<sup>st</sup> and Mingo, proceed to East 47<sup>th</sup> Place and turn right (west). This street becomes East 46<sup>th</sup> Street. Loman's Studio will be on the right (north) about one half mile from Mingo.

Our February program was presented by decorative painter Gloria Koskey who instructed us how to make better use of color in our designs.

**March Show and Tell:** Koni Lehrman brought the newly bejeweled tape sculpture of her hand.

**Featured Artist:** Our featured artist in March was Loyd Garrison. Loyd brought several pieces of his work - and documented his years of experience.

**Door Prizes:** March door prizes were donated by Art Glass Emporium, The Glass Station, Tulsa Stained Glass, and Dan Anderson. We thank them for their generosity and support.

**Thanks** to all who contributed labor and materials to the completion of the blue heron pictured at left. A special word of gratitude to Harry and Carolyn Wallace who graciously hosted the construction of this window in their home studio.

**Membership Information:** Members of The Stained Glass Guild of Oklahoma share an interest in stained glass and other glass art. Monthly meetings include educational forums with a presentation on topics related to the glass arts, idea exchanges, problem solving sessions, safety and tool tips. We offer door prizes contributed by local glass shops and by club members. Members may share their work during Show & Tell. Membership applications are available at each meeting. Annual dues are \$20.00 for individuals and \$25.00 for Family Memberships.

We gratefully acknowledge the support of the following shops. They offer a wide variety of tools, supplies, instructional programs and services. We encourage you to utilize the many resources they offer.
