# Meeting Notes

**Program:** Our May meeting will be at 10 am in the Lecture Room at the Allie Beth Martin library. The lecture room is to the right and down the hall from the auditorium where we normally convene. After assembling and having a brief meeting, we will then proceed to 100 Monkey Ranch, the working studio of internationally acclaimed artist and sculptor Kreg Kallenberger. Kreg's work is included in dozens of museum collections including The Corning Museum of Glass, The Pilkinton Glass Museum, The Museum of American Glass, and the Notojima Glass Art Museum.

100 Monkey Ranch is located near Pershing. Travel there will require about an hour. We expect to arrive at noon and depart at 2 pm. Driving directions and a map will be provided at the meeting. You may wish to hit the drive through or bring some munchies to eat during the drive to 100 Monkey Ranch.

Our April program featured a visit to Loman's Studios and the opportunity to participate in the creation of a faceted glass window set in resin. Special thanks to Roy Loman for his kindness and generosity in contributing the time, space and materials to make this experience possible.

## We remind you to support area glass shops.

The Glass Station has announced that during the month of June all green glass – excluding fusing glass – will be marked 15% off.

Art Glass Emporium will be having their 11th Anniversary Sale and Customer Appreciation Days on May 21, 22, and 23. Stained glass will be 10 TO 20% off price marked. Fusing glass (COE 90 AND 96) will be 10% off price marked. And more.

Tulsa Stained Glass makes a free email newsletter subscription available. That newsletter contains class schedules, sale announcements and other promotional offers including coupons.

**Membership Information:** Members of The Stained Glass Guild of Oklahoma share an interest in stained glass and other glass art. Monthly meetings include educational forums with a presentation on topics related to the glass arts, idea exchanges, problem solving sessions, safety and tool tips. We offer door prizes contributed by local glass shops and by club members. Members may share their work during Show & Tell. Membership applications are available at each meeting. Annual dues are \$20.00 for individuals and \$25.00 for Family Memberships.

We gratefully acknowledge the support of the following shops. They offer a wide variety of tools, supplies, instructional programs and services. We encourage you to utilize the many resources they offer.
