**Membership Information:** Members of The Stained Glass Guild of Oklahoma share an interest in stained glass and other glass art. Monthly meetings include educational forums with a presentation on topics related to the glass arts, idea exchanges, problem solving sessions, safety and tool tips. We offer door prizes contributed by local glass shops and by club members. Members may share their work during Show & Tell. Membership applications are available at each meeting. Annual dues are \$20.00 for individuals and \$25.00 for Family Memberships.

# Meeting Notes

**Program.** Our June meeting will feature local artist Sam Ward speaking on *Designing for Stained Glass*. Sam has twenty-five years of experience fabricating stained glass. She often incorporates kiln fired paints in her pieces that capture detail in form and figure and give dimension by creating design, texture or shading. The design factors Sam considers in her designs include the architecture of the building, the direction of light, surrounding materials and colors, and the available budget. See pictures of Sam's work below:

Our May meeting featured a trip to *100 Monkey Ranch*, the working studio of internationally acclaimed artist and sculptor Kreg Kallenberger. Many thanks to Kreg Kallenberger for his time, kindness and hospitality in making this opportunity possible.

## We want your suggestions.

Our April program featured a visit to Loman's Studios and the opportunity to participate in the creation of a faceted glass window. The Guild is interested in selling these windows. We welcome your suggestions as to how best to do so.

The officers are currently re-drafting the Guild's governing documents – Articles and Bylaws – in order to incorporate the Guild. We welcome your input.

**Would you like a Guild shirt?** Provide the shirt of your choice and pay \$10 to get a shirt with an embroidered logo. Contact Lea Wimmer for additional information.

## We remind you to support area glass shops.

The Glass Station has announced that during the month of June all green glass – excluding fusing glass – will be marked 15% off.

Tulsa Stained Glass makes a free email newsletter subscription available. That newsletter contains class schedules, sale announcements and other promotional offers including coupons.

We gratefully acknowledge the support of the following shops. They offer a wide variety of tools, supplies, instructional programs and services. We encourage you to utilize the many resources they offer.
